

NMPC KIDS

SUNDAY CLASSES

BABY NURSERY (0 - 24 MONTHS)

Our youngest children are introduced to church through the loving care provided in this class by our nursery staff.

TODDLER SUNDAY SCHOOL (2 YEAR - 3K)

In this class, our children are introduced to who God is and how He cares for them through age-appropriate curriculum. This is achieved through a Bible lesson, crafts, catechism review and play time.

TODDLER WORSHIP (2 YEAR - 3K)

During the Worship Service, our children have a space where they can learn and glorify God through learning and play! Each Sunday a lesson is taught by using *The Beginner's Gospel Storybook Bible* and reinforced through a craft or activity.

CHILDREN'S CHURCH (4K - 1st GRADE)

In Children's Church, through the *Teach Us to Worship* curriculum, our children learn how and why we worship! Each month we focus on a different Element of Worship through songs, memory verse, Bible lesson and crafts.

EARLY ELEMENTARY SS (4K - 2nd GRADE)

Our children dive-deeper into the stories of the Bible to learn about God's faithfulness and rescue for His people through curriculum developed by Great Commission Publication.

UPPER ELEMENTARY SS (3rd - 5th GRADE)

Our children walk through the entire Bible in this class through *The Biggest Story* curriculum. This Fall we are back at the beginning and will be studying Genesis.
